Things to note

-
- Kobe is the only overnight stay, which makes day trips to Kyoto, Osaka or Nara practical.
 - Kochi (8 hours) and Hiroshima (9 hours) are the shortest calls, so shore time needs planning.
 - Busan and Kanazawa are full days, both 7:00 AM to 11:00 PM.
 - The route goes west along the Pacific coast, crosses to Busan, runs up the Sea of Japan side, then returns down the northeast coast.

On board

- Panorama Lounge, Observation Library and Arts Café

- S.A.L.T. (Sea And Land Taste) destination-based dining programme
